2027 Oktoberfest and Bavaria Tour

Wednesday, September 15th – Tuesday, September 21st, 2027.

Tour meets and ends in Munich, Germany.

Join us for 7 unforgettable days exploring the heart of Bavaria in an intimate small-group setting. This region of Germany is a dream for lovers of beer, architecture, culture, and a good story—and we’ve woven all of that into one incredible tour. From Munich’s lively beerhalls to hidden historic gems scattered across the Bavarian countryside, we’ll soak up the sights and sip the local brews that make this place so special.

Along the way, we’ll dive into the region’s rich past, marvel at iconic architecture, and of course, enjoy plenty of *gemütlichkeit* (Bavarian-style good cheer) in the many beer gardens and halls we visit. After five days of immersive exploration, the tour crescendos with two epic days at the one and only Oktoberfest—complete with tent reservations and all the festive madness you can handle.

We’ve teamed up with local guides to craft a custom experience that blends beer, history, and fun the way only Drinkable Destinations can.

Now for the fun part—here’s a look at the tour highlights:

- **Two days of reserved tables at the legendary Oktoberfest** in Munich
- **Oktoberfest Walking Tour** with The Thirsty Historian, featuring a traditional Weißwurst breakfast at Schneider Bräuhaus
- **Two nights** in Bamberg, a UNESCO World Heritage Site, including a city tour, lodging at the historic **Fassla Brewery and Guesthouse** and tastings of Bamberg’s famous Rauchbier
- Exclusive tour and tasting at a hops farm in the Hallertau hops growing region
- A visit to 1,000 year old **Weltenburg Abbey and Brewery** in the Danube Gorge
- A visit to **Rothenburg ob der Tauber**, one of Germany’s most enchanting medieval walled towns
- A **historic Munich walking tour** with visits to iconic beer halls and hidden beer gardens
- A festive **welcome dinner at Augustiner Keller**, complete with an exclusive barrel tapping at the table

Sept. 17th, 18th - Fässla Brewery and Guesthouse

Hotel reservations are finalized 3 months prior to the tour departure.

You do not need to contact the hotels about your reservation. We will give them our guest list when we've confirmed the tour (at this time, they are all under the name Justin Schmitz). However, feel free to contact the hotel about any specific questions you have about their facilities or requests.

Group Size:

We believe small group sizes make for better experiences. Small groups allow our guests to form closer relationships with us and our local tour guides, and gives us more intimate access to places, restaurants and attractions. There is one downside to small group sizes; a higher cost per person. We know from experience, however, that this is the way to go for high quality tours.

Why do I include the above statement? We do everything we can to lay out the details and inclusions of the tour. We have not had any problems with this on our international tours yet but we have seen this in other tour scenarios.

Life happens and things come up that may make it impossible for you to join the tour you've made a payment on. Sometimes folks need to cancel for a multitude of reasons. Please inform us of your cancellation in writing as soon as possible.

Non-refundable cancellation fees are reflective of payments we have already made for your attendance on the tour and loss of time to sell your spot. Once the tour begins, there are no refunds for:

CANCELLATION BY DRINKABLE DESTINATIONS:

We reserve the right to cancel a tour due to not meeting our participant minimum or for other reasons. In the event that WE cancel the tour, FULL REFUNDS OF DEPOSITS AND PAYMENTS will be processed within 30 days of our notification.

Refunds of your deposits and payments will constitute full settlement and we will not be held liable for any other expenses including non-refundable airfare, passport fees and other

arrangements a participant has made before, during or after a tour. We **HIGHLY RECOMMEND** travel insurance.

MEDICAL AND HEALTH ISSUES:

Our tours are very active and participants need to be of a moderate fitness level. International tours will include a lot of walking particularly to attractions, public transport, hotel, meals, etc. Participants need to be able to walk and/or be on their feet for 1-2 hours at a time and can keep up with the group.

Part of the experience is using the incredibly convenient public transport in Germany! We will be taking some public trains and buses to move from city to city and to some attractions.

You will need to be able to carry your own luggage from the hotels to transport stations so please keep that mind when choosing how much to pack and the type of luggage you're bringing. Travel backpacks may be the most convenient for some but luggage with roller wheels will also work.

Please disclose any medical conditions while registering for the tour. Unfortunately, we cannot accommodate participants requiring wheelchair assistance on our European tours. The places we are visiting are very old and not designed for accessibility.

We will not be responsible for any medical cost you may incur in a medical incident or emergency while on our tour. **We HIGHLY RECOMMEND securing a travel insurance plan; your personal health insurance policy may not cover incidents while out of the USA.**

SOLO PARTICIPANTS:

These tours are priced for double occupancy. Solo participants will have to pay a supplemental fee to cover the additional cost of lodging.

By request, we can try to match same-sex solo participants to share a room. This is not guaranteed and if we can't find a match, solo participants will be subject to the single supplemental fee. You must inform us in advance of any medical or personal issues that could negatively affect someone's else's enjoyment of the tour. If you do not inform us, we reserve the

right to change your booking to a single and for you to be charged for the new room and half of the other room.

PASSPORTS:

A current passport is required of each traveler. Be sure your passport is valid for at least six months after the last day of the tour, even though three months may be all that is required. It can take three weeks to get a new passport without paying for it to be expedited. Plan ahead. Also, "As of November 1st, 2016, customers applying for or renewing their passport must remove glasses for their passport photo. Last year, more than 200,000 passport customers submitted poor quality photos which we couldn't accept. **The #1 problem was glasses.** We had to put their passport applications on hold because we couldn't clearly identify them from their photo. If the photo of you in your unexpired passport has glasses, don't worry about it. You don't have to get a new passport now. Next time you renew your passport, though, you'll have to take your glasses off."--U.S. Dept. of State.

TOUR CHANGES:

We reserve the right to make changes to the itinerary, hotels, restaurants, brewery tours, etc due to forces outside our control. We may even change it because we have found a superior experience!

We reserve the right to correct pricing errors. We always hope to keep our tour prices the same from the moment we start taking reservations, however, since our tours are planned so far in advance, we may have to adjust the price due to reasons beyond our control such as extreme currency fluctuation.

Wi-Fi:

Complimentary WiFi is available at most hotels and many businesses, but not guaranteed.

TRANSFERS:

Transfers between the airport and our first and last hotels are not included unless listed specifically on the itinerary.

PARTICIPATION:

We reserve the right to accept or reject any person as a tour participant at any time. Participants may be removed from a tour for displaying abusive or threatening behavior to other participants or to the public, for harassment of any kind, impeding on the enjoyment of the tour by other participants or not being suitable for group travel.

If a participant is removed from a tour, we will not refund any payments for the tour or cover any expenses for the participant to return home.

Our tours are designed around beer, wine and spirits experiences. However, participants are required to know their limits and enjoy alcohol in moderation and responsibly.

AGE RESTRICTIONS:

Our tours are adult experiences with adults expecting to travel with other adults. Tour participants must be 18 or over.

HOTELS:

We will stay at nice, clean hotels in the 3-4 star range. Some hotels will be small independent affairs (like a brewery guesthouse) while others will be international chains. Some hotels will have very small rooms with twin beds very close to each other and some hotels may not have TV's and elevators.
