Refunds of your deposits and payments will constitute full settlement and we will not be held liable for any other expenses including non-refundable airfare, passport fees and other arrangements a participant has made before, during or after a tour. We HIGHLY RECOMMEND travel insurance.

MEDICAL AND HEALTH ISSUES:
Our tours are very active and participants need to be of a moderate fitness level. International tours will include a lot of walking particularly to attractions, public transport, hotel, meals, etc. Participants need to be able to walk and/or be on their feet for 1-2 hours at a time and can keep up with the group.

Part of the experience is using the convenient public transport in Belgium! We will be taking some public trains and buses to move from city to city and to some attractions.

You will need to be able to carry your own luggage from the hotels to transport stations so please keep that mind when choosing how much to pack and the type of luggage you're bringing. Travel backpacks may be the most convenient for some but luggage with roller wheels will also work.

Please disclose any medical conditions while registering for the tour. Unfortunately, we cannot accommodate participants requiring wheelchair assistance on our European tours. The places we are visiting are very old and not designed for accessibility.

We will not be responsible for any medical cost you may incur in a medical incident or emergency while on our tour. **We HIGHLY RECOMMEND securing a travel insurance plan; your personal health insurance policy may not cover incidents while out of the USA.**

SOLO PARTICIPANTS:
These tours are priced for double occupancy. Solo participants will have to pay a supplemental fee to cover the additional cost of lodging.

By request, we can try to match same-sex solo participants to share a room. This is not guaranteed and if we can't find a match, solo participants will be subject to the single supplemental fee. You must inform us in advance of any medical or personal issues that could negatively affect someone's else's enjoyment of the tour. If you do not inform us, we reserve the right to change your booking to a single and for you to be charged for the new room and half of the other room.

PASSPORTS:
A current passport is required of each traveler. Be sure your passport is valid for at least six months after the last day of the tour, even though three months may be all that is required. It can take three weeks to get a new passport without paying for it to be expedited. Plan ahead. Also, "As of November 1st, 2016, customers applying for or renewing their passport must remove glasses for their passport photo. Last year, more than 200,000 passport customers submitted poor quality photos which we couldn't accept. **The #1 problem was glasses.** We had to put their passport applications on hold because we couldn't clearly identify them from their photo. If the photo of you in your unexpired passport has glasses, don't worry about it. You don't have to get a new passport now. Next time you renew your passport, though, you'll have to take your glasses off."--U.S. Dept. of State.

TOUR CHANGES:
We reserve the right to make changes to the itinerary, hotels, restaurants, brewery tours, etc due to forces outside our control. We may even change it because we have found a superior experience!
We reserve the right to correct pricing errors. We always hope to keep our tour prices the same from the moment we start taking reservations, however, since our tours are planned so far in advance, we may have to adjust the price due to reasons beyond our control such as extreme currency fluctuation.

Wi-Fi:
Complimentary WiFi is available at most hotels and many businesses, but not guaranteed.

TRANSFERS:
Transfers between the airport and our first and last hotels are not included unless listed specifically on the itinerary.

PARTICIPATION:
We reserve the right to accept or reject any person as a tour participant at any time. Participants may be removed from a tour for displaying abusive or threatening behavior to other participants or to the public, for harassment of any kind, impeding on the enjoyment of the tour by other participants or not being suitable for group travel.

If a participant is removed from a tour, we will not refund any payments for the tour or cover any expenses for the participant to return home.

Our tours are designed around [JS1] beer, wine and spirits experiences. However, participants are required to know their limits and enjoy alcohol in moderation and responsibly.

AGE RESTRICTIONS:
Our tours are adult experiences with adults expecting to travel with other adults. Tour participants must be 18 or over.

HOTELS:
We will stay at nice, clean hotels in the 3-4 star range that are centrally located and near main train stations. Some hotels will be small independent affairs (like a brewery guesthouse) while others will be international chains. Some hotels will have very small rooms with twin beds very close to each other and some hotels may not have TV's and elevators.
