Oktoberfest and Bavaria Tour

Wednesday, September 18th – Tuesday, September 24th, 2024.

Tour meets and ends in Munich, Germany.

Spend 7 days exploring the Bavarian region of Germany in a small group setting. We love beer, history, architecture and German culture so we've combined those ingredients into a fun and fascinating tour. We'll take in some of the region's most charming and historic sites...and we're going to try their local flavor of beer, too! No matter where you go in Bavaria, there is a beer garden or beerhall nearby to quench our thirst and fill our bellies while out touring for the day. After acquainting ourselves with Munich and other parts of Bavaria for five days, the trip will reach it's pinnacle with two days at THE Oktoberfest!

We've partnered with local guides to build a custom beer and history tour experience that will give our guests the types of fun, beer, food and culture they've come to expect from Drinkable Destinations.

This will definitely be an experience to mark off your "bucket list"!

Now, let's get to the fun stuff with the run down on the tour.

Group Size:

We believe small group sizes make for better experiences. Small groups allow our guests to form closer relationships with us and our local tour guides, and gives us more intimate access to places, restaurants and attractions. There is one downside to small group sizes; a higher cost per person. We know from experience, however, that this is the way to go for high quality tours.

MEDICAL AND HEALTH ISSUES:

Our tours are very active and participants need to be of a moderate fitness level. International tours will include a lot of walking particularly to attractions, public transport, hotel, meals, etc. Participants need to be able to walk and/or be on their feet for 1-2 hours at a time and can keep up with the group.

Part of the experience is using the incredibly convenient public transport in Germany! We will be taking some public trains and buses to move from city to city and to some attractions.

You will need to be able to carry your own luggage from the hotels to transport stations so please keep that mind when choosing how much to pack and the type of luggage you're bringing. Travel backpacks may be the most convenient for some but luggage with roller wheels will also work.

Please disclose any medical conditions while registering for the tour. Unfortunately, we cannot accommodate participants requiring wheelchair assistance on our European tours. The places we are visiting are very old and not designed for accessibility.

We will not be responsible for any medical cost you may incur in a medical incident or emergency while on our tour. **We HIGHLY RECOMMEND securing a travel insurance plan; your personal health insurance policy may not cover incidents while out of the USA.**

SOLO PARTICIPANTS:

These tours are priced for double occupancy. Solo participants will have to pay a supplemental fee to cover the additional cost of lodging.

By request, we can try to match same-sex solo participants to share a room. This is not guaranteed and if we can't find a match, solo participants will be subject to the single supplemental fee. You must inform us in advance of any medical or personal issues that could negatively affect someone's else's enjoyment of the tour. If you do not inform us, we reserve the right to change your booking to a single and for you to be charged for the new room and half of the other room.

PASSPORTS:

A current passport is required of each traveler. Be sure your passport is valid for at least six months after the last day of the tour, even though three months may be all that is required. It can take three weeks to get a new passport without paying for it to be expedited. Plan ahead. Also, "As of November 1st, 2016, customers applying for or renewing their passport must remove glasses for their passport photo. Last year, more than 200,000 passport customers submitted poor quality photos which we couldn't accept. **The #1 problem was glasses.** We had to put their passport applications on hold because we couldn't clearly identify them from their photo. If the photo of you in your unexpired passport has glasses, don't worry about it. You don't have to get a new passport now. Next time you renew your passport, though, you'll have to take your glasses off."--U.S. Dept. of State.

TOUR CHANGES:

We reserve the right to make changes to the itinerary, hotels, restaurants, brewery tours, etc due to forces outside our control. We may even change it because we have found a superior experience!

We reserve the right to correct pricing errors. We always hope to keep our tour prices the same from the moment we start taking reservations, however, since our tours are planned so far in advance, we may have to adjust the price due to reasons beyond our control such as extreme currency fluctuation.

Wi-Fi:

Complimentary WiFi is available at most hotels and many businesses, but not guaranteed.

TRANSFERS:

Transfers between the airport and our first and last hotels are not included unless listed specifically on the itinerary.

PARTICIPATION:

We reserve the right to accept or reject any person as a tour participant at any time.
